Dear DLA Piper,

Thank you for

sponsoring Bethune School and enabling us to go to exchange City. we had a great day. we learned a lot about how businesses work. the job I had was City Attorney. I know now how City hall is run. I wish that we didn't have to leave.

What I enjoyed most was being a City Attorney because it helped me know how the legal system is run.

I Saw Other Kids beside
myself having a great time
and some kids didn't want to
go at first but then they
wanted to stay all day.
Thank you again
