Dear Reginald:

On behalf of the Whitman-Walker Clinic Legal Services Program, we are writing to thank you for your efforts in representing [REDACTED] in her employment matter. You really went above and beyond in this case and got a great result for [REDACTED]. We know that she really appreciates everything you've done to help her stay in the workplace despite the many challenges of living with HIV and depression.

The willingness of attorneys like you to take *pro bono* cases is critical to the continued success of our program. In 2006, Whitman-Walker Legal Services represented almost 900 separate individuals on more than 1,700 distinct legal matters, including issues of discrimination, employment, breaches of confidentiality, insurance, immigration, public benefits, and estate planning. Without the dedication of volunteers such as you, we would have been forced to turn away many of these individuals who were in great need of legal assistance.

Once again, thank you for your commitment to our program, to serving people with HIV/AIDS in the Washington, D.C. area, and giving so generously of your time.

Very truly yours,

Daniel Bruner
