

DEAR Joy Napier-Joyce.

I Am writing to extend my Appreciation in the matter you helped me in. You represented me in a FEMA - Ped Baw matter & you also helped me appeal ~~to~~ my case.

I truly thank you from the bottom of my heart. I lost everything in the storm & I have been "rebuilding" my life ever since.

As a token of my appreciation,

I have enclosed a Katrina Angel of Grace. A local artist gathers rubble from a bridge that was demolished. She took parts of the bridge & made them "Angels of Grace".

You have definitely been an Angel in my life. Thank you Again for all your help!
