Re: Trustees of the Wilson Gardens Condominium Trust v. Glynn, Natick Housing Corp., et al.

Dear Michael:

On behalf of the Natick Housing Corporation, I want to extend a long overdue but heartfelt expression of gratitude to you for representing us in the above matter. Your skilled representation assisted us in recovering the funds that we loaned to Mr. Glynn. These funds can now be used to make housing available to needy individuals.

I also want to thank you for accepting this case on an emergency basis before a holiday weekend. We were desperate and you were very kind to respond.

Through the generosity of professionals like you and your firm, we are able to sustain our organization and continue to help people with low to moderate incomes attain home ownership in Natick. Your services were of great value to us and very much appreciated.

Sincerely,

Susan Rous
