Dear Mr. Segal:

On behalf of the National Women's Law Center, we would like to express our deep gratitude to Piper Rudnick for its generous pro bono assistance to the Center's Education and Employment group on a variety of projects. As you know, several of the firm's attorneys have graciously donated their skills to help the Center with its work on behalf of women and girls, most recently by advocating for equal treatment of girls in local high school athletics programs. This type of assistance is invaluable to our work of fighting discrimination on the basis of sex.

In particular, the Center has had the great pleasure of working with Lisa Dewey to establish an ongoing partnership on education-related cases and projects. Lisa's able leadership and friendly nature make her a wonderful colleague and an invaluable resource.

We are very grateful for the many ways in which Piper Rudnick has contributed to the work of the Center, and we look forward to our continued collaboration. Together we will continue to defend the critical gains women have made and fight to advance opportunities for women and their families. Thank you again for your incredible support.

Sincerely,

Nancy Duff Campbell
